## Competition Results

A total of 63 wrestlers representing 8 clubs participated in the tournament. The decision was made to have divisions based on age as well as weight, which slightly reduced the number of bouts. A full list of results can be found at the end of this document. On the positive side, only one minor injury occurred the whole day and many beginners and young wrestlers were able to compete. On the down side, there were only three women competitors, none of whom had anyone else in their divisions. Note that an Australian woman has become Australian and Oceania champion in 2002 without a single match.

Thanks are due to

- Don Brown, who refereed the entire tournament;
- Les Neal, and Linda and Eric Cash who did the draw, (and taught me how at the same time),
- Tony Marker and Anthony Goonan for timing and announcing,
- Witold Rejlich and Geoff Marsh for scoring
- Reg Marsh for his rapid response and skill with first aid
  
- all the parents, wrestlers and friends who helped with the canteen, set-up and clean up on the day
- Anne Goonan, Cathy Marker and Witold for the time and effort involved in planning and making this tournament a success.

We also thank and acknowledge the teams and individuals who came to make the day a success, especially those who had distances to travel. We all learned a lot and are sure that next time it will run more smoothly. We look forward to an even bigger and better event next year, and hope that you will return for the 2003 Canberra Cup!
